SUPREME COURT DECISIONS

Two decisions were handed down by the Supreme Court yesterday. In the case of F. E. P. rter vs. The Hawaiian Pork Packing Co. the Court says: "The Court sustain a ruling of the trial judge granting a new trial for misconduct on the part of an attorney by persisting in his argument, against the warning of the judge, in keeping the attention of the jury directed to the fact that at a former trial of the case the jury had found for his client and to the amount of damages so found, the trial judge being of the opinion that prejudice had resulted from the improper remarks notwithstanding his instruction to the jury to disregard them." Exceptions are overruled." The decision was participated in by the three supreme judges. G. A. Davis and L. A. Dickey for plaintiff; Magoon and Silliman for defendant.

In the ejectment case of the Hawaiian Commercial and Sugar Co. vs. Kahului R. R. Co. the opinion was rendered by E. P. Dole who, with Justice Whiting and Circuit Judge Stanley constituted the Court in the absence of Judge Fiear and on account of Chief Justice Judd being disqualified. The Court says: "Every case in which an equitable estoppel is set up as a defense to a documentary title must be decided in the light of all the surrounding circumstances. Defendant's grantor expended large sums of money in constructing a railroad over land of plaintiff's grantor under a parole license from plaintiff's grantor and in pursuance of a prior understanding entered into between said parties for their mutual advantage, and for many years afterward the plaintiff and its grantor shared in the benefits of said road without claiming any control over ownership in the same. Held that the plaintiff was estopped to bring an action of ejectment."

The fourth annual account of Cecil Brown and H. Focke, trustees of the Jas. Gay estate, has been filed in the clerk's office of the Circuit Court. It shows that during the year \$9429.20 was received and \$9479.55 disbursed. In the report of the condition of the estate the trustees say: "An area of about 800 acres of land has been leased to the Waialua Agricultural Co. Ltd. for 5 percent the sugar and other products manufactured from the cane grown thereon or other products raised on said land. The Company undertakes to keep 1/3 of the land always under cultivation or to pay \$10 per acre per annum for all land not so cultivated."

The trustees think when the land has been planted, that the income of the estate will be double what it is now. The accounts were examined and approved by Judge Perry.

The Orpheum.

A crowded house last night with a plentiful supply of applause as each artist appeared again gave flattering evidence that the show is popular with the masses. Jim Post and May Ashley introduced a new sketch "chit chat" which caught on. The Misses Annie and Minnie Kanoho will take part in Saturday night's program.

Once Tried, Always Used.

If we sell one bottle of Chamberlain's Cough Remedy, we seldom fail to sell the same person more, when it is again needed. Indeed, it has become the family medicine of this town, for coughs and colds, and we recommend it because of its established merits—Jos. E. HARNED, Prop., Oakland Pharmacy, Oakland, Md. Sold by all dealers. Benson, Smith & Co., General Agent.

A concert at the Royal School under the direction of Mrs. A. B. Tucker will be held in the near future. A chorus of one hundred boys' voices will be one of the main features. Chinese girls will sing and some of the local talent will assist. The proceeds will be used to purchase extra music for the schools.

The use of the Singer in millions of homes shows the unprecedented success of these ideal sewing machines. It is convincing proof that the Singer excels in all kinds of family sewing and art needle work. All our sewing machines are of the best construction, beautifully decorated, and mounted on selected woods in finely finished cabinets of artistic designs. B. Bergersen, agent, 164 Bethel street.
